

Experience the excitement of the aerospace industry in a rural setting!

For over 70 years Magellan Aerospace, Haley has been producing magnesium and aluminum castings for the aerospace industry.

Located in the scenic Ottawa Valley west of Renfrew we have immediate openings for:

CASTING WELDERS

\$27.35-\$29.15/hour

Qualifications:

- Must have successfully completed a Welding Program from a recognized post-secondary institution.
- Experience in TIG welding will be considered an asset.
- Must be able to work 8-10 hour rotating shifts
- Must be able to successfully attain an in-house welding certification.

We offer a competitive salary, a shift schedule that promotes a great work/life balance, a company paid pension plan and a comprehensive benefits package including: major medical, dental, and short/long term disability.

We thank all applicants, but only those invited to an interview will be contacted.

No telephone inquiries please
